

Welcome to Glostrup Swim Club

We welcome you to season 2017/2018 in Glostrup Swim Club. We hope you may feel at home in our community.

Where and when do I join for practice?

Training time and day of the week is on the email confirmation you received when you signed up for a class via www.gskswim.dk. The first time you come to training you will be issued with an admission card, which covers the team's training time.

How do I get in for practice?

You must use your admission at the ticket gate at entry, there are no control for the exit, but you must be leaving within 30 min. from end of your training. You should not use the handicap door, even if it is open.

The first time you come to training, you receive your admission card from the team's coach. It's a good idea to bring your mail confirmation of registration for the team.

The admission card is valid for the entire season, unless you change team and therefore need a new card. After moving to the new team, you must submit your old admission card to the coach. You will receive the new card from the coach of your new team.

You must bring the admission-card each time. Take good care of card.

If you lose your card, you can get a new for the costs kr. 20. You must acquire a new card via your coach.

You enter with your admission-card 15 minutes before training and you should exit within 30 minutes after the exercise time. You have only access to swimming lessons and not Leisure Centre's other facilities. If you want to jump on the lashes, run the slide, or swim before or after exercise, you must purchase a regular ticket at the information.

If your parents want to swim, sit in the sauna, or otherwise use the swimming hall, while you are training, they have to purchase a regular ticket information.

There is no supervision in the changing rooms, but there are lockable wardrobes. Use a 20-krone coin, it will be returned when you lock the closet after use.

If your father or mother wants to accompany you in the locker room

There are established some rules, if your father or mother will be with you in the locker room, for the sake of the other swimmers and public bathing facilities.

- Baby teams (Baby 1-4) two parents per. baby can attend classes. The admission-card has two sides. The child and one parent can enter on the front. Afterwards turn card and the other parent goes through the access system.

All children must wear swim-diaper and GFC approved swim-diaper-pants. Swim-diaper-pants are sold by GFC Information, price DKK 149.

- **Other teaching team**

Your father or your mother can join you in the locker room, as long as you are under 7 years.

- If you are 7 years old you are expected to get dressed and wash without help. If there are special circumstances, which means that your father or mother have to be with you in the locker room, please contact the Information Desk, which decides whether to waive the rules. Glostrup Swim Club has no effect on the rules laid down by the Glostrup Municipal.

Where should my father and mother be while I am swimming?

To get the most out of swimming lessons, your parents should sit on the balcony or in the café, if they want to see you swim.

It is not allowed to stay in the swimming pool during the lecture, unless you redeem a ticket.

How long is my membership?

The season in Glostrup Swim Club starting September 1, 2016 and close by 31 May 2017

Your membership will terminate if you in writing terminate your participation at your team, or if you choose not to renew / pay for your membership for a new season. There is no refund quota for an interrupted membership during the season.

During the season there will be a few swim meets at the swimming pool, and your practice may be affected.

Swimming school organizes during the season events you are invited to attend. Your education may also be affected these days, but then you have the opportunity to participate in the activity instead.

It happens from time to time by sickness can not provide replacement for coaches and there may be cancellation due to technical reasons, for which the Recreation Centre (Glostrup Fritids center) is responsible for.

If your training is cancelled, you will receive no financial compensation for the lack of education.

Closing days or other cancellations will be announced by mail and announced on our Facebook page.

If you have any questions

Send an Email to Member Register medlem@gskswim.dk. You will usually get a response within 24 hours. Here we can answer all questions regarding team changes and coaches, address changes, signup and resignation and in general everything that has to administration of the swimming school to do.

For other inquiries please contact one of the club's board of directors, which you can find on the website under "club info". If you are unsure, you can always send an email to President Stefan Andersen: formand@gskswim.dk

We hope you have a fun and educational season in Glostrup Swim Club.

Friendly greetings
